Hello!
I am Advait Rahul Shinde
from Grade 3-2.
I love to draw various types of car.
Following are my drawings.

**OUR
BUDDING POETS
AND
AUTHORS**

क्या अंतर है!

क्या अंतर है!
 कविता में और बालको में
 कविताओं के भाव में और
 बालकों के मन के ठहराव में
 वही सादापन, वही चंचलता
 वही अलहडपन और वही निश्चिंतता
 जैसे होते हैं बालक और उनका बालमन
 वैसी ही होती है कविता और उसका काव्यात्मन!

क्या अंतर है!

कविता में और बालको में.....

अंतर नहीं बड़ा ही साम्य है,
 क्योंकि दोनों ही भर देते हैं,
 हमें ममत्व और प्रेम से,
 बालकों के मन के ठहराव
 को मुश्किल है ठहराना
 जैसे बहते झरनों को मुश्किल
 है रोकना।

बिलकुल वैसी ही जैसे कविता के
 भाव में खुदको है ढालना।

बड़ा ही साम्य है
 क्योंकि दोनों ही आते हैं
 मन का उजास लेकर
 सुश्रियों का आभास लेकर.....

Tr. Pushpalata

HOUSES

The snake and the mouse
Have a hole for a house.

The tortoise and the snail
Have a shell.

The bee has a hive
The sparrow, a nest.

I have a house
And I think that is the best.

Ziva Rai
Grade 1.2

मत रुको

जैसे समुंद्र की लेहरे हम रुका नहीं
सकते, वैसे लोगों ने आपको करना चाहिए
कि,
" इसे कोई रुका नहीं सकता"..।

जैसे हमारे जीवन में ऊँची ऊँची पहाड़े हैं,
वैसे ही हम सबके आगे गए तो, "हमको
कोई रुका नहीं सकता "..।

हम जाने क्या क्या बातें बनाते रहते है.
एक मेहनत करता है, सब बोलते है की,
" इसको कोई रुका नहीं सकता "..।

जीवन में संकट ही संकट आते है, पर
"शांत रहो, आगे बढ़ो और मत रुको...

मल्हार पाटील

THE FACT OF THE MATTER - AMAZING FACTS

INTERESTING FACTS

- People say “Bless you” when you sneeze because when you sneeze, your heart stops for a millisecond.
- There are no words in the dictionary that rhyme with: orange, purple and silver.
- Algebra, Trigonometry and Calculus are studies, which originated in India.
- A person can live without food for about a month, but only about a week without water.
- The word “queue” is the only word in the English language that is still pronounced the same way when the last four letters are removed.
- 40 when written “forty” is the only number with letters in alphabetical order while “one” is the only one with letters in reverse order.
- The tongue is the strongest muscle in the body.

- Abacus is considered the origin of the calculator.
- India never invaded any country in last 100000 years of history.
- “Rhyme” is longest English word without a vowel.
- The “Place Value System” and the “Decimal System” were developed in India in 100 B.C.
- Our eyes are always the same size from birth, but our nose and ears never stop growing.
- The word “Set” has the most definitions in the English Language.
- The number 4 is the only number with the same number of letters as the meaning of its name.
- Sharks do not have any bones.
- Glass balls bounce higher than rubber balls.
- Hippopotamuses can run faster than humans.

- Potatoes were the first food to be grown in space.
- The moon is very hot (224 degrees Fahrenheit average) during the day, but very cold (-243 degrees Fahrenheit average) at night.
- An Ostrich's eye is bigger than its brain.
- A bolt of lightning is five times hotter than sun.
- There are 31,557,600 seconds in a year.
- Octopus have blue blood and nine brains.
- The human nose can detect and recognise three trillion different scents.
- A cloud weighs around a million tonnes.

SUMMER HOLIDAYS

We are very busy when schools are open. We follow a routine. It is sometimes boring. We need some rest.

Therefore holidays are always welcome, we look forward to them. Vacations should be properly used. After vacations we feel refresh but we miss our teachers , the class in which we had a great time and we will miss our friends.

STORY TELLERS

IF I COULD GO INTO THE PAST

If I could go into the past I would like to unravel the hidden knowledge of Mohenjo Daro. I often wonder that, Mohenjo Daro was an urban civilization even 5000 years ago. Here are some points on this Ancient Indus Civilization.

1. The ancient city of Mohenjo Daro is one of the first Urban Center in Human history.
2. Nestled in southern Pakistan's Indus river valley Mohenjo Daro is the largest and best preserved city of the Indus Valley Civilization.
3. The earliest known civilization of the Indian sub continent is Indus Valley Civilisation.
4. Mohenjo Daro was built around 2500 BC. About the same time the great pyramids were being built in Egypt and expand a surface area of nearly 500 Acres, an incredible size for a city of this time period.
5. Because of Mohenjo Daro's grand scale, archeologists believe it may have served as a seat of power for Indus Valley Civilization.
6. The city was divided into two districts, the Citadel and the Lower Town.

Citadel

1. The Citadel is home to the city's exceptional monuments including the great bath, a 900 square foot fed from the Indus River.
2. Mohenjo Daro also had a sophisticated water system. Houses had baths, toilets and the town featured both an elaborate sewage system and fresh water system in 700 wells!
3. Mohenjo Daro has no places of worship or governance such as palaces, royal tombs or temples.

Lower Town

1. Lower Town may demonstrate the societies egalitarian structure.
2. The population of lower town was between 20000 to 40000 people.
3. Unlike many urban areas of its time, it was laid out in a grid system similar to modern day city blocks. Even after 600 years of the collapse of the city, no one knew the reason behind the collapse. In 1950, after 4000 years archeologists began their excavation and rediscovered the abandoned and ruins of Mohenjo Daro.

Even though, excavations have told us many things, still it holds many secrets for us to discover.

The Girls Castle

Once there was an imaginary world ruled by the Queen Nephele. There were all kinds of fairies. They lived peacefully. The fairies were different from others. There were sleep-fairies, color pixies and many more. Queen Nephele ruled in the Girls Castle. It was a big castle. I am the weaver fairy. I can weave the cloth. The cloud castle contained the Throne Room, where the queen sat in the center. It was a circle where the Queen sat and near the Queen sat all types of fairies. It was the hall where all the problems were solved. There were many courtyards as well. There were separate wings for everyone. The east wing was for the weaver fairy; the south wing of Grand Council; the west wing; the north wing for the Royal Quarters. The hall of mirror is also there, where the reflection plays with us. The Girls Castle has the Fountain of Dreams which help us to dream. The Cloud Castle of the Girls Castle is made up of clouds. Here, even the beds are made of clouds. I like the land of clouds.

**GIGGLE AND
RIDDLE
CORNER**

Riddles

- If I drink, I die. If I eat, I will grow. What am I?

-> Fire

- What goes up but never comes down?

-> Your age

- What starts with an 'E' but only has a single letter in it?

-> An Envelope

- I have six faces and 21 eyes but I cannot see. What am I?

-> Dice

- What has many keys but cannot open a single lock?

-> A Piano

Avani Daryani

Class : 2.3

ENTERTAINING RIDDLES

1. What has a head and tail but no body?

Ans: A coin

2. Which letter of the alphabet has most water?

Ans: "C"

3. If you don't keep me, I will break.

Ans: A promise

4. What has holes all over but still holds water?

Ans: A sponge

5. I have no life, but I can die. What am I ?

Ans: A battery

6. Everyone has one, but no one can lose it. What is it?

Ans: A shadow

7. What's black and white and read all over?

Ans: A newspaper

8. I will fill a room but take up no space. Who am I?

Ans: Light

9. What's a frog favorite game?

Ans: Leapfrog

ACHIEVEMENTS

ABACUS MASTER

I Mast. Yug Dipen Patel am glad to share my happiness and achievements. I am currently studying in grade 1 under the care of my class teacher Ms. Monica Kanan. I have been perusing ABACUS since past 9 months and have excelled tremendously. I have not only got better with my Calculus skills but I have also managed to land a couple of awards.

I procured 96.67% at ABACUS JUNIOR LEVEL 1. Not only that but I participated in the TALENT HUNT 2004 where I achieved SHINING STAR AWARD for the following categories:

- Score of 94.66% in 9.08 sec with ABACUS.**
- Score of 95% in 8.13 sec without ABACUS.**

I am very proud of my success. Thanking each and every one who has helped me in my journey of learning.
